Glottometrics, 31–50: Bibliography

Using the jubilee of *Glottometrics*, we are glad to present a continuation of a complete bibliography of all publications of the issues 31–50.

The contributions are ordered in five sections: (1) general articles, (2) history, (3) reviews, (4) bibliographies, and (5) miscellanea. Within each of these sections, the contributions are ordered according to authors’ names and year of publication. For a copy of the bibliography as RIS or BibTeX file please contact emmerich.kelih@univie.ac.at.
